

UNITED WAY

2018-2019 ANNUAL REPORT

United Way
of Meriden and Wallingford

WELCOME

We welcome our new Executive Director, Maria F. Campos-Harlow, to our United Way of Meriden-Wallingford! Maria joins with a passion and background in serving our communities through her previous experience as Executive Director at the Spanish Community of Wallingford and extensive experience in all areas of non-profit management. She strongly demon-

strates the importance of creating positive relationships with our community through our donors, partner agencies, and individuals we serve.

When Maria came aboard, her excitement for community projects through our NFL Players' Weekend, Holiday Programs, and our Annual Campaign has shown through her energizing tactics in leading the successful events.

We are delighted to have Maria's expertise and guidance to fund effective programs, stimulate volunteerism, connect people with resources, and work in partnership with others to improve communities. Every day she puts her passions towards further UNITING and creating lasting change in our communities.

NFL

PLAYERS' WEEKEND

The NFL Players' Weekend with JL Sports, their NFL players and upcoming future stars, creates two days of exciting events for adults and children through interacting with the players and bidding on valuable sports memorabilia to support our local youth!

Through every ticket sold, monetary sponsor support, and bid made, we raised over \$55,000 to put towards supporting and investing in our local youth including after-school health, academic and recreational programs that we offer in our communities.

The successful events- Auction Night, Youth Clinic, Bowl with the Pros- would not be possible without a committed team effort! A special thank you to Joe and Kathleen Linta, Lori Evon, their colleagues, the football players, Auctioneer television meteorologist Matt Scott, sound and visual effects of John Rozz of Sound Spectrum and our special partners, Zandri's Stillwood Inn, Choate Rosemary Hall and Wallingford Bowl, our Board Members and the hardworking volunteers who make the energetic events an ongoing success for 11 years!

DAY OF CARING

Our annual Day of Caring comes around each year in September to engage companies and their employees with local nonprofits who can use the extra help to boost their missions to support Meriden and Wallingford. Whether volunteers are gardening, painting, or organizing resources, their impact helps our communities at large. It is special to see nearly 200 volunteers from local companies physically engage with our local partner agencies for a fantastic day surrounding UNITING our communities.

TOCQUEVILLE SOCIETY

Only 26 years old when he came to the United States and Canada in 1831, Alexis Charles-Henri de Tocqueville traveled extensively, recording his observations of life in the young nations.

Though he only spent nine months in North America, he gleaned many profound insights about American society. His observations, readings and discussions with eminent Americans formed the basis of Democracy in America, a detailed study of American society and politics published in two volumes, in 1835 and 1840.

Tocqueville recognized, applauded and immortalized North American voluntary action on behalf of the common good. He wrote: "I must say that I have seen Americans make a great deal of real sacrifices to the public welfare; and have noticed a hundred instances in which they hardly ever failed to lend a faithful support to one another," eloquently capturing the essence of personal philanthropy that persists almost three centuries later.

The observations on philanthropy made by Alexis de Tocqueville in 1831 are true today; North Americans understand that advancing the common good means creating opportunities for a better life for all. The name Tocqueville Society was chosen because of Alexis de Tocqueville's admiration for the spirit of voluntary association and effort toward its advancement.
